

HAPPENINGS IN AND ABOUT TOWN

GIFTED ARTISTS HERE JUNE 16-17

Rodolfo Fornari, Italian Baritone, and Karel Havlicek, Russian Violinist.

Two recitals presenting some exceptionally gifted artists have been arranged for Friday and Saturday, June 16 and 17, in the tapestry room of the Oliver hotel. The musical will be given under the auspices of the St. Joseph county W. C. T. U. by the Fornari company.

Rodolfo Fornari, baritone, and leader of the company, possesses a voice of rare qualities and was long associated with the Boston Opera company. He has a list of enviable operatic successes and has appeared in concert in the larger cities over the country. Press comment says: "He sings only as an Italian can sing." He is assisted by Karel Havlicek, a Russian, and violinist of note. His success as a master of the violin has been quite rapid since his first appearance in America in 1915. Shortly after he became associated with the Boston Symphony orchestra, with which company he toured.

VERMANDE WINS HIGH TENNIS TITLE AGAIN

Junior Repeats Victory of Last Year by Defeating Keltner in the Finals.

"Bob" Vermande, a Junior, was again crowned "king" of the high school tennis players when he won out in the final round yesterday afternoon on the Y. M. C. A. courts, defeating Keltner, a senior, in a close match. The winning of the championship goes to Vermande for the second time in as many years, he having won the same honor last year.

Over 100 students competed in the contest, the semi-finals and finals being all run off yesterday. The last round was between Vermande, Keltner and Schurz. Vermande's winning of the semi-finals from Schurz, defeating him 6-0 and 6-0, was a big surprise, but he disposed of Keltner in the finals 6-4, 6-1 and 6-1.

Yesterday's results were as follows: Keltner defeated A. Kinney, 6-1, 7-5. Schurz defeated M. Goodman, 6-0, 6-1. Vermande defeated Snyder, 6-2, 7-9, 6-0. Vermande defeated Schurz, 6-0, 6-0. Vermande defeated Keltner, 6-4, 6-1, 6-1.

N. D. TENNIS TEAM DOWNS CULVER AGAIN

Gold and Blue Racket Warriors Take Four Matches to Two from Soldier Boys.

The Notre Dame tennis team journeyed to Culver yesterday afternoon, where they met and defeated the fast-playing team of the military academy. Notre Dame won four matches to Culver's two. Three of the four singles matches went to Notre Dame, while the two teams split even in the doubles. In the singles, McManus of Notre Dame defeated Fred Gignilliat, the Culver star performer, in two hot sets, 8-6 and 6-3. Reinhardt (Notre Dame) had to travel three sets before setting down Culver's second man, Starks, 6-0, 5-7 and 7-5. L. Gignilliat of Culver then lost his match to Keenan of Notre Dame, 8-6 and 6-2. D. Duffy, substituting for Notre Dame's star, Maniga, who could not make the trip, lost his match to Kuhn of Culver after a stiff fight, 2-6, 6-3 and 6-3. The doubles were evenly divided, McManus and Reinhardt pairing together for Notre Dame captured a spectacular match from F. Gignilliat and Starks, 7-5 and 6-4, while Keenan and Duffy dropped their match to Kuhn and L. Gignilliat by the scores of 6-4 and 6-3. Final score—Notre Dame, 4; Culver, 2. It was Culver's first defeat of the season.

Sweden has been experimenting with peat powder as a fuel for the locomotives on state-owned railways and it is reported that just as heavy trains can be pulled and as good speed made with this fuel as with anthracite. The Swedish state railway directors have asked experts to give estimates of the cost of preparing a bog for the manufacture of peat powder.

Radium is a metal and is described as having a white metallic luster. It has been isolated only once or twice and few people have seen it.

Notre Dame News

"Twelfth Night" was repeated by the members of the University Dramatic club at St. Mary's academy last evening in the academy theater.

Tuesday afternoon will be a holiday at the university, since this was the only request of Bishop Muldoon before he left for his home in Rockford, Ill., last evening. The bishop will return to the university for the commencement exercises and will have charge of the services on Sunday afternoon, June 11, at the laying of the corner stone of the new library. Owing to the illness of Bishop Herman Joseph Alender of Fort Wayne, Bishop Muldoon was granted full privilege to officiate in this diocese.

Forty-three were confirmed at the Ascension day services at Notre Dame yesterday and in the afternoon at 2 o'clock the day was ended by the solemn chanting of the vespers by the Gregorian choir of Holy Cross seminary.

The "Domes" or the annual year-book of the class of 1916 will be distributed next Monday.

GETS JUDGMENT OF \$1,040 ON TWO NOTES

Mrs. Mary J. Strain was given a judgment of \$1,040 yesterday afternoon in the circuit court by a jury against the St. Joseph Loan & Trust Co., executor of the will of Stephen Probasco. The claim against the estate was brought on two notes, which were allowed. The contention of the defense was that the notes represented a gift and there was no consideration. They also alleged that they were procured by fraud and that undue influence was used.

Mrs. Strain received a home valued at over \$1,000 and \$1,700 in money from the decedent during his lifetime. She also had an allowance of \$8 a week during the time she took care of him.

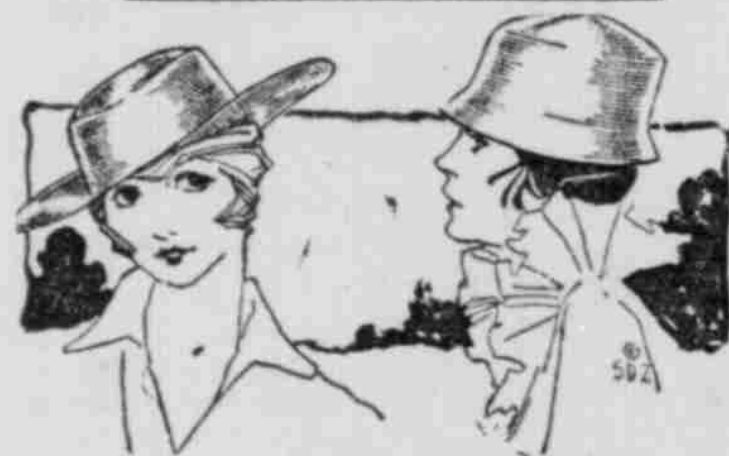

The estate was valued at between \$9,000 and \$10,000.

HOOSIER CREAM JUNIORS LOSE TO SOUTH BEND JRS.

Hoosier Cream spirits are low today. Notwithstanding the fact that they put up a great battle, the Hoosier Cream Junior baseball team is disconsolate because they were forced to bow in defeat to the South Bend Juniors team at Oliver diamond Thursday afternoon, 16 to 12. The game ran through nine tense, thrilling innings and it was only through a splendid ninth-inning spurt that the South Bend lads were able to down the Hoosier Creams.

Batteries—For South Bend Juniors, F. Tschid and V. Eachdon; for Hoosier Cream Juniors, A. Cecil and E. Bakson. Umpire—C. Gorski.

Resta and Girl Aviator Primed For Hot Race

Dario Resta, winner of a number of speedway races and automobile events, will drive his famous racing car in a speed contest at Springbrook park next Sunday. His opponent will be Katherine Stinson, the 19-year-old high school girl, and one of the most famous aviators in the world. Resta's coming to South Bend is an important sporting event, when it is known that he has never been seen on any of the tracks in America outside of the speedways at New York, Chicago, Sioux City and Indianapolis.

The racing car that he used in these big events will be shown on the Springbrook Park track in speed exhibitions, fancy driving and a contest of skill in opposition to the girl aviatrice. Miss Stinson's representative.

FRECKLES

Don't Hide Them With a Veil; Remove Them With the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by any druggist under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money back guarantee.—Adv't.

tative, Frederick A. Hoover, who has been in the city during the past week, is also a skillful aviator. He states that Miss Stinson's upside down flying events are not performed at a high altitude, but they are done at so alarmingly low an altitude that the expression of her face is plainly discernable by occupants of the grandstand.

BUILDERS' CLUB HEARS INTERESTING PAPER

Walter Hildebrand Speaks on Cooperation Between Contractors and Their Men.

The Builders' club, which is recruited from the superintendents and workmen of the Christman Construction Co., was addressed at its bi-weekly meeting last night in the company's offices by Walter Hildebrand of the Staples-Hildebrand Co.

The lecturer spoke very interestingly and at considerable length on the subject of cooperation of the various departments of construction work. He chose as his title "The Relation of Building Material Dealers to Contractors and Their Men." The talk was quite appropriate owing to its close relation to the purposes for which the club was founded. Its principal object is the education and the development of the superintendents and men and the promotion of a better understanding between them. The next meeting will be on June 15 at the same office.

This photograph of Ezra Meeker, octogenarian transcontinental traveler, and his schoonerobile, was made at Washington, D. C., as he started on a cross-country trip to Olympia, Wash., a distance of 2,550 miles. Mr. Meeker, who is 85 years old, has made three trips across the Oregon trail by exteam. The object of this trip is to obtain a report for submission to congress on the probable cost of building a national military highway across the continent. He will make the trip in about one-tenth the time of his former journeys.
